

UNIVERSITY OF GHANA

UG-Carnegie Next Generation of Academics in Africa Project: *Enhancing UG's Capacity to Deliver Post-Graduate Training and Research*

PHD YEAR 2 EXPERIENTIAL LEARNING (Y2EL) GRANT

Description

In line with the Vice Chancellor's directive that departments offering PhD programmes must establish links with external institutions for research collaboration and to enhance post-graduate programme delivery, PhD students in the specific departments (*See list below for eligible departments*) who have successfully completed their PhD Year 1 Course work and are preparing to undertake their Year 2 Experiential Learning may apply to the UG-Carnegie NGAA Project for support for their experiential attachment.

Conditions

Participating departments must:

- Demonstrate that they have links with the host institutions where the students will undertake their PhD Year 2 Experiential Learning;
- Provide details of existing collaborative research initiatives;
- Demonstrate some form of in-kind and / or partial support for the attachment.

Eligibility

- Applicants must be PhD students in any of the participating departments listed below
- Applicants must have completed their PhD Year 1 coursework and Comprehensive Examinations

Mode of Application

Applicants must submit the following:

- Application form – **FORM UG-NGAA -PHD/ Y2EL//03-2015**
- PhD Year 1 Coursework Results
- PhD Comprehensive Exam Results
- Budget
- Work Plan for the Internship/ Experiential Learning period
- Proof of Department's Links with Host Institution
- Proof of Department's support to Candidate's Experiential Learning
- A cover letter from the Head of Department and endorsement by the Principal Supervisor

Applications and supporting documents must be forwarded to the address below.

Processing and Notification

Applications will be reviewed on a rolling basis and successful applicants notified accordingly.
