

Transdisciplinary Training for Resource Efficiency and Climate Change Adaptation in Africa II

Call for Applications

Deadline: 20 March 2017

TRECCA AFRICA II invites applications from African nationals to participate in a **Master's exchange mobility or Master's full-time studies or Doctorate exchange mobility or Staff mobility**. The TRECCA AFRICA academic programmes range across disciplines such as sustainable development, environmental management, renewable energy, food science and technology natural resource assessment, climate and society, biotechnology, agro-ecology, soil physics, microbiology and veterinary medicine. A full list of programmes are available at <http://www.treccafrika.up.pt/courses>.

The mobility must be undertaken at one of the following TRECCA AFRICA partner universities: [University of Botswana](#), [University of Dar es Salaam](#) (Tanzania), [University of Ghana](#), [Mekelle University](#) (Ethiopia), [University of Nairobi](#) (Kenya) and [Stellenbosch University](#) (South Africa). To apply, go to <http://www.treccafrika.up.pt/apply>.

Masters mobilities

Masters' full-time studies

- To be eligible, simultaneously apply to the [partner host University](#) for Academic Admission as well as for this scholarship.
- Must have successfully completed last qualification.
- Secure a host supervisor.
- Maximum duration 24 months.

Masters' exchange

- To qualify, be registered for a Masters' degree programme at an eligible university in Africa.
- Apply to a [TRECCA AFRICA partner university](#).
- Scope: research; engage in literature review, specialized theoretical or methodological training and fieldwork. Students will work together with their academic host and home supervisor.
- Minimum duration 10 months.

Doctorate exchange mobility

- To qualify, students must be registered for a fulltime doctoral programme at an African home university to spend time at one of the [TRECCA AFRICA partner universities](#).
- Scope: research, engage in literature review, specialized theoretical or methodological training, and fieldwork and will co-operate with their academic host and home supervisor.
- Minimum duration 10 months.

Staff mobility

- Only members of staff at the [TRECCA AFRICA partner Universities](#) may apply.
- These opportunities are designed for professional development of administrative and academic staff and aim to create mutual institutional knowledge.
- Mobility period administrative staff 1 month; academic staff 1-3 months.

The scholarship covers

- Roundtrip economy class **flight ticket and visa costs** (calculated against direct linear distance).
NOTE: Additional costs (eg. travel, accommodation, meals, etc.) incurred during the visa application process, are not covered.
- **Participation costs:** academic expenses such as tuition fees, registration fees and service fees where applicable.
NOTE: The scholarship offers partial funding for research.
