WELCOME

**TO OUR GRADUATING STUDENTS,
FAMILY AND FRIENDS**

As the University confers degrees on students who have satisfied the requirements for graduation, we would have loved to host all our graduating students in face-to-face Congregation ceremonies to afford them the opportunity to celebrate this milestone in-person with their colleagues, and in the presence of friends and family.

However, the University, mindful of the need to prevent the spread of Covid-19, and given the large numbers of graduating students, is able to accommodate only graduate students physically during the January 2022 Congregation ceremonies. Rigorous efforts have been made to ensure that the virtual congregation ceremonies for undergraduate students encapsulate all the activities that usually take place during face-to-face ceremonies, and we trust that our undergraduate students will be able to participate in the virtual ceremonies, with their friends and families.

We salute all our students who have worked so hard through the uncertainties of this pandemic period to complete their studies successfully.

We invite all friends and families of our graduating students from all over the world to join in the virtual sessions, to celebrate the achievements of these students.

As you step out into the next phase of your lives, we encourage you, our graduating students, to always be guided by the motto of this University: *Integri Procedamus: Proceed with Integrity*. Ensure that every action you undertake is grounded in ethically sound convictions and expressed in service to society.

We wish you every success in your future endeavours, as you step out in confidence to distinguish yourselves as alumni of the Premier University.

Once again, hearty congratulations, and all the best.

Aanyekoo!

MESSAGE FROM THE PROVOST

Dear graduands, parents, guardians and friends, I welcome you all to another virtual congregation, which is a special ceremony for the 2021 graduating class of the College of Health Sciences.

The College of Health Sciences (CHS) is an amalgamation of allied academic units within the University of Ghana that trains health professionals. We are here today to graduate students of the College in their respective courses of study.

Warmest congratulations, graduands! You have worked hard to achieve this milestone, as you had to deal with the COVID-19 pandemic and its impact on your studies. You have shown resilience, perseverance and strength of character, for which reasons we celebrate your success stories today.

As your degrees are awarded today, I urge you to go out to pursue your respective careers with confidence and diligence by relying on your knowledge gained, skills acquired and abilities worthy of a 21st century graduate, through communication, collaboration, critical thinking, and creativity. Analyse the world you encounter to make a change; work with compassion and empathy; and continue to develop yourselves to achieve laurels in your field of endeavour, remembering that life is a journey, not a destination.

I am glad that you made us part of your academic journey. I encourage you to keep your relationship with the College and join a network of University of Ghana alumni worldwide. I am proud of you and cannot wait to see you back on campus to share with us your professional and personal achievements.

Our dear parents and guardians of graduands, we appreciate your diverse support which has made all these possible today. The challenges you encountered in the battle with COVID-19 have been immense, however, you emerged victorious and supported your wards to complete their courses of study. Indeed, I commend you for making such an investment in the education of your wards. Congratulations! I thank you all for making the time to join this ceremony with your families and friends.

Once again, hearty congratulations to our Graduating Class of 2021. I wish you an enjoyable ceremony and success in all your future endeavours.

Ayekoo!!!

Professor Julius Fobil

PROFILE OF GUEST SPEAKER

Dr. Prince Sodoke Amuzu is a Fellow of the West African Postgraduate College of Medical Laboratory Sciences (WAPCMLS), a Business Consultant and a Politician.

As a laboratory scientist, he was the President, Ghana Association of Medical Laboratory Scientists; Chairman of the Council of Allied Health Presidents; member of the Allied Health Professions Council and member of Rutland Institute for Ethics, Clemson University, USA. He also served as Faculty Advisor for the Koforidua Technical University; Technical Review Committee member for the National Health Laboratory Policies in 2016 for the Ministry of Health; member of expert committees of the West Africa Health Organisation on harmonization of medical laboratory science curricula in 2011 and professional code of ethics in 2012; member of expert Committee of the International Federation of Biomedical Laboratory Science for the harmonization of training curricula and a lead Advocate for passing and Presidential Assent of the Health Professions Regulatory Bodies Law in Ghana, ACT 857 (2013).

As a businessman, he was one of the first Directors for MDS-Lancet Laboratories Limited; Managing Consultant to EcoMed Advanced Diagnostics Limited in Sierra Leone; Key Opinion Leader for Becton Dickinson in West Africa amongst others.

As a politician, he was the District Chief Executive for the Akatsi North District Assembly from May 2017 to November 2021; member of the Governing Board of the Allied Health Professions Council of the Ministry of Health in Ghana and member of the Ho Teaching Hospital Governing board. He has served on several other committees at the academic and professional level.

He holds Doctor of Medical Laboratory Science certificate from the UDS and also had his bachelor's degree in medical laboratory science from KNUST. His additional qualification includes; an Executive Certificate in Good Corporate Governance from Ghana Institute of Management and Public Administration and Master degree in Business Administration from the Central University.

Dr. Prince Sodoke Amuzu

PROFILE OF VALEDICTORIAN

First Session, Tuesday, 11th January, 2022
at 9:00 a.m.

Ms. Rose Aning graduated from Aburi Girls Senior High School in 2016 with 7As in the West African Senior School Certificate Examination.

She had admission into the University of Ghana in 2017, where she chose to study Respiratory therapy after being intrigued by the contribution of Respiratory Care in Neonatal and Paediatric health.

Rose desires to further her education in respiratory care to acquire much knowledge and skills in addressing challenging aspects of pulmonary medicine and to promote respiratory care in Ghana and the world.

She is motivated by the desire to make a positive difference and an impact in the lives of people, especially children.

She enjoys teaching, drawing, reading and engaging in activities that promote self-development. Additionally she is passionate about music and served in the University of Ghana Jubilee Choir and the UG NUPS-G Levites Choir while on campus.

Ms. Rose Aning believes the Love of God, humility, determination, discipline and integrity are virtues worth holding on to for a successful life.

Ms. Rose Aning

PROFILE OF VALEDICTORIAN

Second Session, Tuesday, 11th January, 2022
at 11:00 a.m.

Dr. Jeffrey Anertey Abbey is one of the valedictorians for the January 2022 Congregation. He is graduating with a Bachelor of Medicine and Surgery (MChB) from the University of Ghana Medical School (UGMS).

Dr. Abbey attended Presbyterian Boys' Senior High School- Legon from 2012 to 2015. He joined the University of Ghana in 2015 because it has one of the best Medical Schools in the sub region and the best school for aspiring surgeons in Ghana and West Africa.

He is the top graduating student from the class of 2021 with 7 distinctions and 8 credits out of 20 courses.

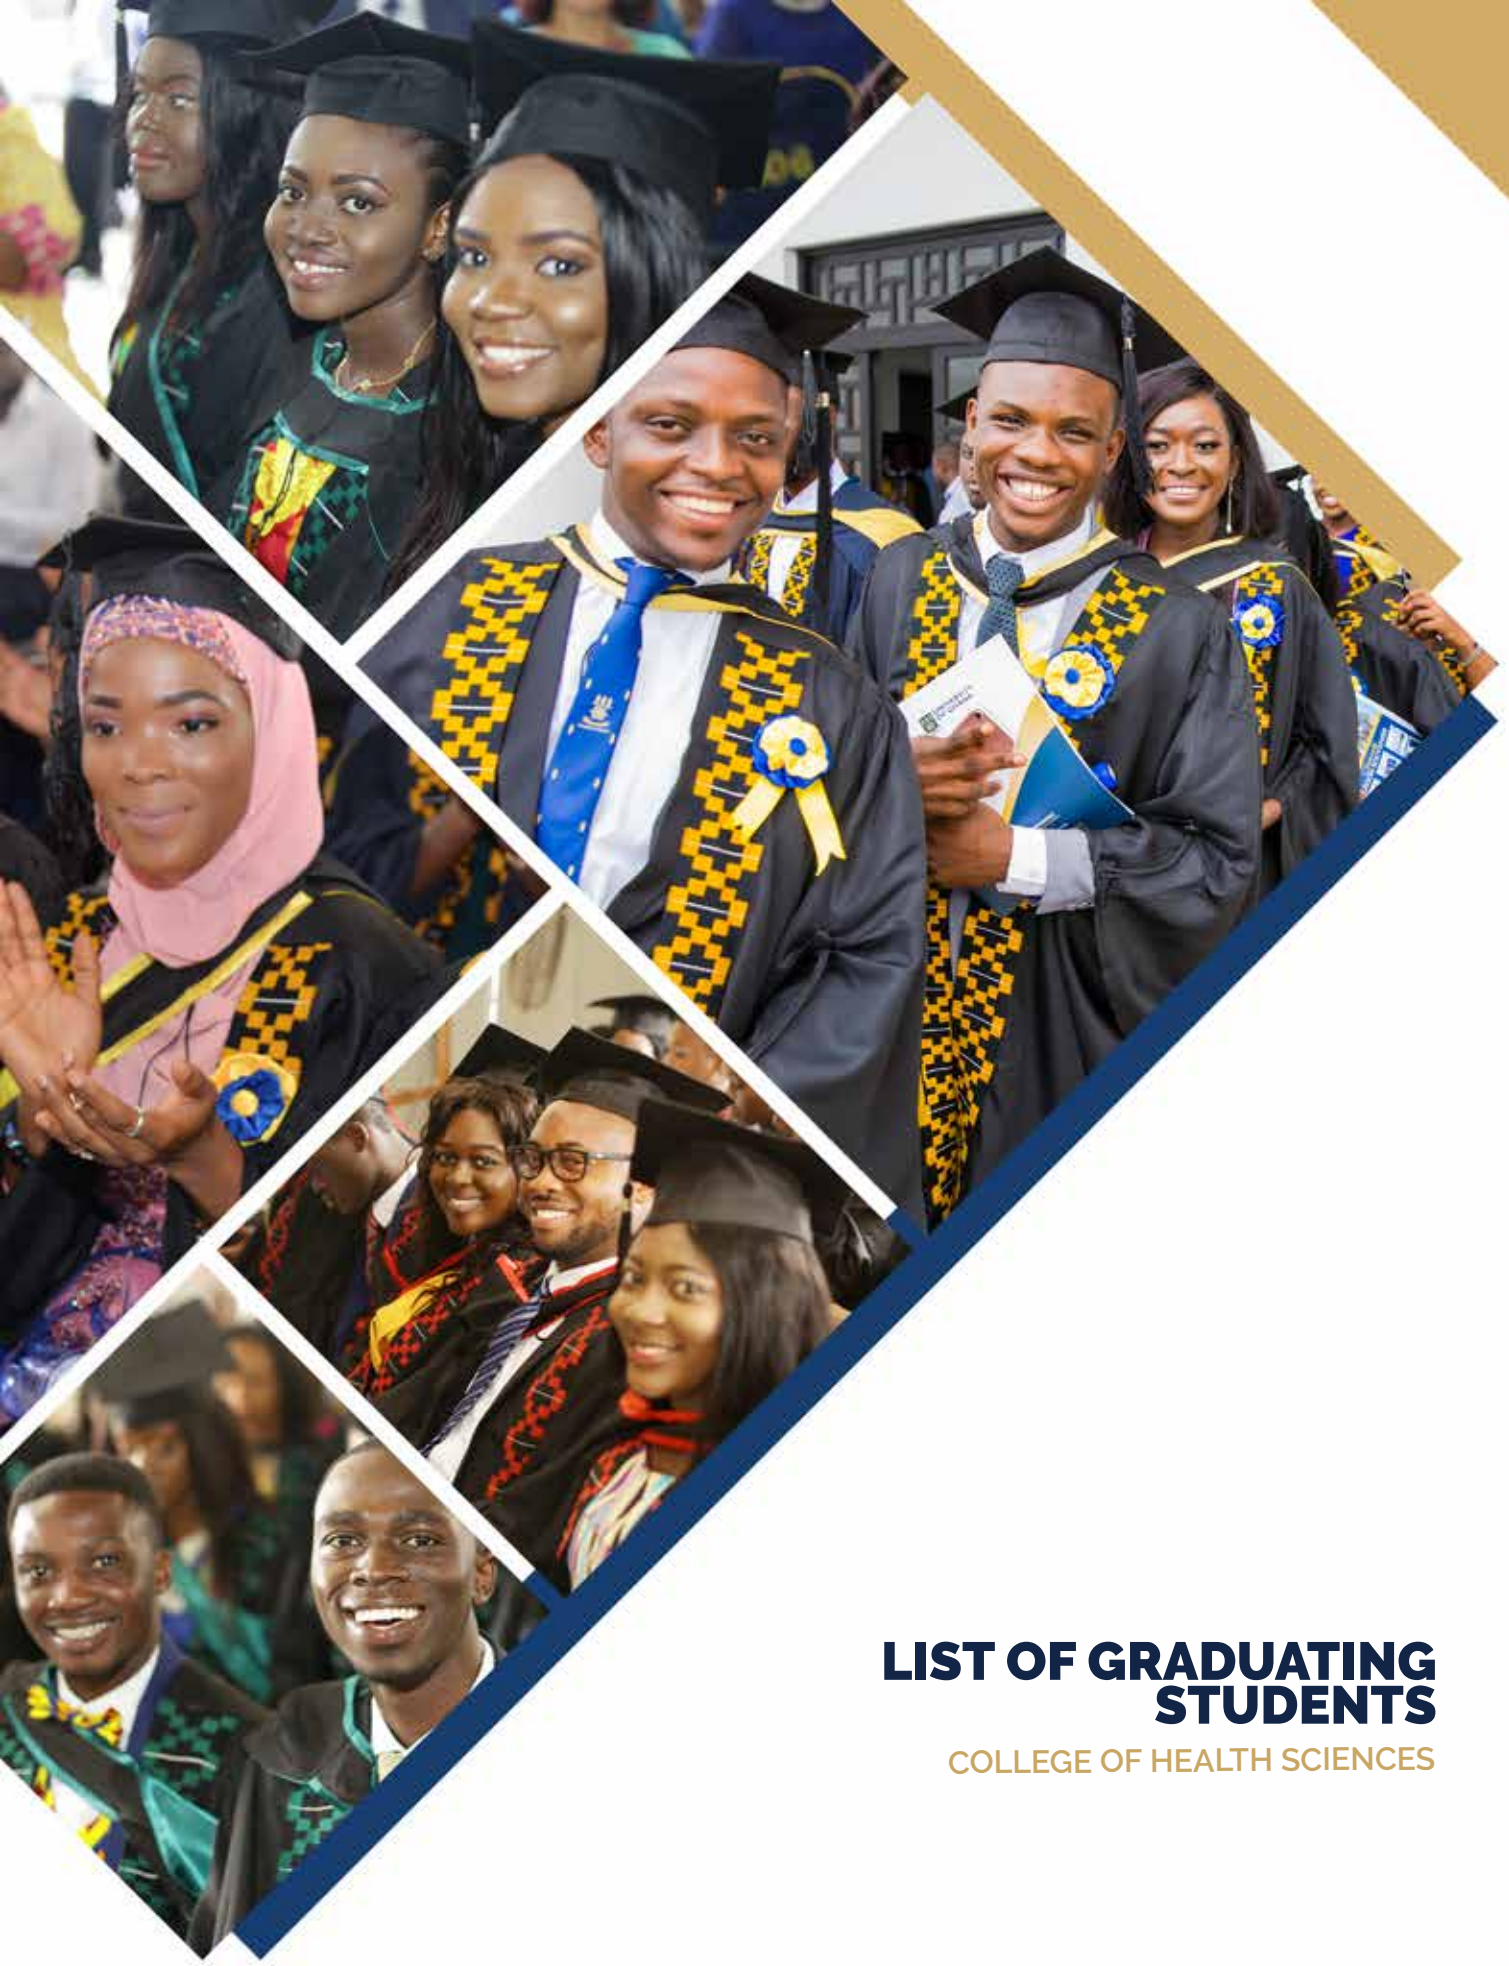

His interests are in Technology, Natural History, Zoology and Medical research. He loves travelling, learning new languages and physical exercise.

He believes that in addition to hard work and discipline one must add prayer to secure victory in all one's endeavours.

Dr. Abbey aspires to be a world-renowned surgeon and researcher.

Dr. Jeffrey Anertey Abbey

NATIONAL ANTHEM

God bless our homeland Ghana
And make our nation great and strong,
Bold to defend forever
The cause of Freedom and of Right;
Fill our hearts with true humility,
Make us cherish fearless honesty,
And help us to resist oppressors' rule
With all our will and might for evermore

Hail to thy name, O Ghana,
To thee we make our solemn vow:
Steadfast to build together
A nation strong in Unity;
With our gifts of mind and strength of arm,
Whether night or day, in the midst of storm,
In every need, whate'er the call may be,
To serve thee, Ghana, now and evermore.

Raise high the flag of Ghana
and one with Africa advance;
Black star of hope and honour
To all who thirst for liberty;
Where the banner of Ghana freely flies,
May the way to freedom truly lie
Arise, arise, O sons of Ghanaland,
And under God march on for evermore!

(Philip Gheho)

UNIVERSITY ANTHEM

Hail University of Ghana
The nation's hope and glory
The place that bears the star of peace
That bids us all to do our best
Let the great Tower of learning
Inspire both young and old
May we proceed in unity to uphold the public
cause.

//: Arise, arise O Legon
Defend the cause of freedom
Proceed in truth and integrity to make
Our nation proud: //

We ask for strength and wisdom
As we climb the hill of learning
May we excel in what'er we do
As we prepare to face the world
With a mind ready at all times
And a conscience quick to feel
May we proceed in unity to uphold the public
cause.

//: Arise, arise O Legon
Defend the cause of freedom
Proceed in truth and integrity to make
our nation proud ://

(Prof. Emeritus J. H. Kwabena Nketia)
