**WELCOME**

**TO OUR GRADUATING STUDENTS,  
FAMILY AND FRIENDS**

As the University confers degrees on students who have satisfied the requirements for graduation, we would have loved to host all our graduating students in face-to-face Congregation ceremonies to afford them the opportunity to celebrate this milestone in-person with their colleagues, and in the presence of friends and family.

However, the University, mindful of the need to prevent the spread of Covid-19, and given the large numbers of graduating students, is able to accommodate only graduate students physically during the January 2022 Congregation ceremonies. Rigorous efforts have been made to ensure that the virtual congregation ceremonies for undergraduate students encapsulate all the activities that usually take place during face-to-face ceremonies, and we trust that our undergraduate students will be able to participate in the virtual ceremonies, with their friends and families.

We salute all our students who have worked so hard through the uncertainties of this pandemic period to complete their studies successfully.

We invite all friends and families of our graduating students from all over the world to join in the virtual sessions, to celebrate the achievements of these students.

As you step out into the next phase of your lives, we encourage you, our graduating students, to always be guided by the motto of this University: *Integri Procedamus: Proceed with Integrity*. Ensure that every action you undertake is grounded in ethically sound convictions and expressed in service to society.

We wish you every success in your future endeavours, as you step out in confidence to distinguish yourselves as alumni of the Premier University.

Once again, hearty congratulations, and all the best.

Aanyekoo!

# MESSAGE FROM THE PROVOST

The College of Humanities is committed to ensuring that its students have a fulfilling and enriching experience during their period of study at the University of Ghana. The College has made significant strides in this vein since its establishment in August 2014. In addition, we continue to develop new demand-driven programmes, and forge partnerships and collaborations with universities and organizations worldwide in order to enhance our portfolio of courses and programmes.

We believe that your time as a student of the College has helped shape your worldview and provided the skills set needed to succeed in your future career. As you prepare to leave us, I would like you to reflect on some of the distinctive moments of your university experience, and to harness this as a tool kit to go out and excel wherever your competencies and interests take you.

Quite clearly, the world of 2022 is a much changed place from what it was when you first enrolled at the University of Ghana. Whilst the Covid-19 pandemic has ravaged economies and brought nation states to their knees, at the same time some have ridden the storm and used their competitive advantages to grow and prosper. If there is a single lesson I want to leave with you today, it is this: no matter what happens, opportunities exist in adversity. So, always look for the opportunities.

With your departure from the University, you will be joining alumni of the College who provide vital human resources in various sectors of our country's economy and beyond, and I ask that you serve as good ambassadors of the College and the University. The College has established an Endowment Fund and I urge you to contribute to the fund once you are financially able to, so that we can continue to nurture and support students of the College. I ask each of you to maintain your relationship with us and provide us with regular updates of your contact and personal details.

With the upsurge of the COVID-19 pandemic, I can only imagine your disappointment at not being able to formally present yourself in the Great Hall with your mates, friends and family for your graduation ceremony. Notwithstanding the COVID-19 restrictions, it is my fervent hope that you will enjoy this virtual ceremony, which allows you to share your special day with family and friends from around the world as well as with your classmates and teachers. Indeed, you are only the third UG-wide group in the University's history, to be graduated in a virtual ceremony.

Congratulations and best wishes to each of you. We wish you every success in your future endeavours.

**Professor Daniel  
Frimpong Ofori**

## NATIONAL ANTHEM

God bless our homeland Ghana  
And make our nation great and strong,  
Bold to defend forever  
The cause of Freedom and of Right;  
Fill our hearts with true humility,  
Make us cherish fearless honesty,  
And help us to resist oppressors' rule  
With all our will and might for evermore

Hail to thy name, O Ghana,  
To thee we make our solemn vow:  
Steadfast to build together  
A nation strong in Unity;  
With our gifts of mind and strength of arm,  
Whether night or day, in the midst of storm,  
In every need, whate'er the call may be,  
To serve thee, Ghana, now and evermore.

Raise high the flag of Ghana  
and one with Africa advance;  
Black star of hope and honour  
To all who thirst for liberty;  
Where the banner of Ghana freely flies,  
May the way to freedom truly lie  
Arise, arise, O sons of Ghanaland,  
And under God march on for evermore!

*(Philip Gheho)*

## UNIVERSITY ANTHEM

Hail University of Ghana  
The nation's hope and glory  
The place that bears the star of peace  
That bids us all to do our best  
Let the great Tower of learning  
Inspire both young and old  
May we proceed in unity to uphold the public  
cause.

//: Arise, arise O Legon  
Defend the cause of freedom  
Proceed in truth and integrity to make  
Our nation proud: //

We ask for strength and wisdom  
As we climb the hill of learning  
May we excel in what'er we do  
As we prepare to face the world  
With a mind ready at all times  
And a conscience quick to feel  
May we proceed in unity to uphold the public  
cause.

//: Arise, arise O Legon  
Defend the cause of freedom  
Proceed in truth and integrity to make  
our nation proud ://
