UNIVERSITY OF GHANA

# Congregation

Great Hall | Friday 8 November, 2013 | 9am & 2pm

# Welcome to all our Graduating Students and Families

To all the parents, guardians, friends and well-wishers of our graduating students, gathered here to celebrate the achievements of our graduands, we are happy to welcome you all to our second Congregation for students who completed their programme of study in the 2012/13 academic year.

For many of you today will bring mixed emotions considering that most of you entered the University of Ghana barely out of your teens. Many of you may also be the first in your families to graduate from an institution of higher learning. We honour you for having the courage to dream. In the four years or so that you have been at the University, you have gone through many challenges that comes with the pursuit of university education. Some of these no doubt have made you resilient. Today you have become the confident young men and women who are graduating today. Congratulations!

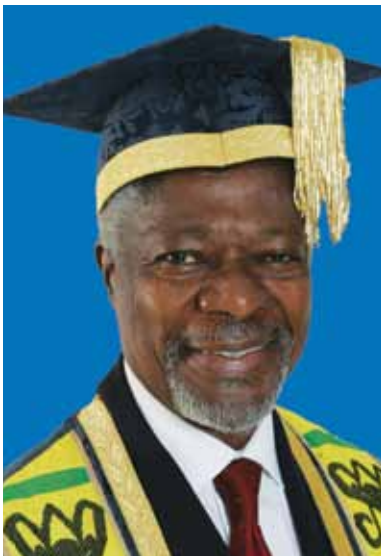

Congregation marks a high point on the University's academic calendar. Each congregation ceremony is unique and special to us as it presents us with the opportunity to send out our graduating students in this formal manner. It is a time of joy; it is also a time for sober reflection on the past and what the future holds in store for you as you make important decisions on your next steps. As students you have strengthened and enriched our academic community, and it is a pleasure to share with you the joy of this celebration.

We hope that all our graduating students will look back on their time at the University of Ghana and will feel proud to be associated with the premier University of national and international repute. We trust that wherever you find yourselves, you will be good ambassadors of the University, and give a good account of the academic, moral and social training you have received during your time here. We are proud to send you out to be a part of the wider international community of University of Ghana graduates and join the numerous alumni who continue to contribute to the greatness, excellence and overall success of this University.

Remember, your accomplishments today will undoubtedly inspire those who come after you. You the members of the graduating class, your parents, guardians, teachers and administrators have all sacrificed so much to make this day possible. As we gather today to celebrate your academic achievements, we are also honouring those who have supported you - family, friends, and loved ones.

We hope you will take back with you, memories of this special day and see it as a fitting finale to years of hard work and sacrifice.

**Congratulations on graduating from the University of Ghana!**

Chairman of Council dissolves Congregation

University Anthem

**Recession:** Council

Convocation

(The Congregation is asked to remain seated until all officials and graduands have left the Hall.)

## Guest Speaker (Morning Session)

Mr. Bedu-Addo, Chief Executive Officer of the Standard Chartered Bank Ghana Ltd, is an alumnus of the University of Ghana, obtaining his Bachelors Degree in Agricultural Economics in 1990. He also holds a Masters Degree in Economic Policy Management from Columbia University, New York (1996).

He has worked in the areas of public policy, international development and Banking & Finance. In his early years, he worked in the Policy Analysis Division of Ghana's Ministry of Finance, from 1990 to 1997, and had a brief stint with The World Bank in Washington D.C in 1996 where he worked as an intern in the Eastern Africa

Department under The World Bank-Japan Joint Fellowship Program.

He joined the private sector in 1998 as a Financial Analyst at General Leasing & Finance Company Ltd. and later joined Standard Chartered Bank in 2000. In 2007, he was named as one of the 22 global recipients of the Standard Chartered Bank Group's prestigious Wholesale Bank Star Awards and later that year, he was appointed a Director in Standard Chartered Bank's Wholesale Bank Head Office in Singapore to head a multi-million dollar global change management project.

In June 2010, he was named as Chief Executive of Standard Chartered

Bank, Ghana, a 1000 employee strong institution and one of the Standard Chartered Bank Group's biggest businesses in Africa, becoming the first Ghanaian to head the bank in its 114 years history. Paying tribute to his work in the public sector, Kweku said on his appointment, "I feel proud of my years in the public sector. It was that sector that made me what I am today."

Kweku is also a member of the Board of Advisers of AISEC Ghana. He has recently been appointed to the Global Investment Committee of Acumen Fund, a New York based Venture Capital Company.

## Order of Proceedings Friday 8 Nov. 2013, 2pm

### **Procession**

(The Congregation is asked to stand)

National Anthem

### **Welcome/Declaration of Purpose:**

Justice Dr. S.K. Date-Bah, Chairman of Council

### **Vice-Chancellor's Address:**

Prof. Ernest Aryeetey, Vice-Chancellor

### **Congregation Speaker:**

Mr. Prince Kofi Amoabeng, CEO, UT Bank Ghana Ltd

### **Conferment of degrees:** Presentation of graduands from:

- Graduate School

### **Valedictory Address:** Ms. Clara Ofori-Appiah

Chairman of Council dissolves Congregation

University Anthem

### **Recession:** Council

Convocation

(The Congregation is asked to remain seated until all officials and graduands have left the Hall.)

## Guest Speaker (Afternoon Session)

Prince Kofi Amoabeng, Chief Executive Officer of UT Bank and the President of UT Holdings, graduated from the University of Ghana Business School with a BSc Admin (Accounting). He is a retired military officer (Captain) and an investment consultant. He is a fellow of the Chartered Institute of Management Accountants (CIMA-UK) and a member of Chartered Accountants CA (GH).

Kofi entered the Military Academy in Accra in April 1975, and was commissioned as a Lieutenant by November. While in the army, Kofi won a scholarship from the Ministry of Defence to study the Royal Army Pay Corps course in Cost and Management Accountancy in Winchester, UK. He passed out after a year and a half and returned home.

In 1997, he conceptualized the idea of setting up a 'finance house' to provide timely and appropriate finance for businessmen like himself who found it almost impossible to get such assistance from the traditional banking sector. With friends urging him on, he took the plunge, and today, after 15 years, with an initial seed money of 255 million cedis (GHC25,000), UT is now a Bank with a turnover of about US\$55.5, employing more than 600 people, and 26 branches in seven of the ten regions of Ghana.

He has extensive experience in managing businesses through excellent customer relations, strategic and tactical business planning as well as strategic partnerships.

Among his achievements are Overall Best

Entrepreneur in the Maiden Ghana Entrepreneurs Award (2011); One of two Ghanaians profiled in Moky Makura's book on Africa's Greatest Entrepreneurs which profiles 16 of Africa's top entrepreneurs; Two times running Ghana's Most Respected CEO for 2008/2010. He is a recipient of a National Honours for an Order of the Star of the Volta- Officer's Division and was named the Marketing Man of the Year in 2006.

Mr Amoabeng is a member of the Board of Directors of the Ghana Interbank Payment Settlement System (GHIPSS); a member of the Council of Enablis Ghana (Canadian Entrepreneurial NGO) and a member of the International Advisory Board of China Europe International Business School (CEIBS), in Ghana.

**IMPORTANT NOTICE:** This is the 2013 class list and does not constitute the list of graduating students. The official list of graduating student will be published in a special reporter of the University.

**E**likem Essouassi is one of the four Valedictorians at the November Congregation. He is graduating with a Bachelor of Science degree Major in Soil Science from the College of Agriculture and Consumer Sciences with a Final Grade Point Average of 3.95. He attended Odorgonno Senior High School in Accra.

Elikem chose the University of Ghana for its high academic standard and international recognition. For him, the University of Ghana provides an environment that motivates students to aspire to reach to the top of their studies, and ultimately their career.

Asked what his future aspirations are, Elikem says he would like to pursue further education to become a top scientist. He is eager to impart the knowledge and experience he has acquired to help improve the standard of science education in the country.

## NATIONAL ANTHEM

God bless our homeland Ghana,  
And make our nation great and strong,  
Bold to defend forever  
The cause of freedom and of right.  
Fill our hearts with true humility  
Make us cherish fearless honesty,  
And help us to resist oppressors' rule  
With all our will and might evermore.

Hail to thy name, O Ghana  
To thee we make our solemn vow;  
Steadfast to build together  
A nation strong in Unity;  
With our gifts of mind and strength of arm,  
Whether night or day, in the midst of storm,  
In every need whate'er the call may be,  
To serve thee, Ghana, now and evermore.

Raise high the flag of Ghana,  
And one with Africa advance;  
Black star of hope and honor,  
To all who thirst for liberty;  
Where the banner of Ghana free flies,  
May the way to freedom truly lie  
Arise, arise, O sons of Ghanaland,  
And under God march on forevermore.

## UNIVERSITY ANTHEM

Hail University of Ghana  
The nation's hope and glory  
The place that bears the star of peace  
That bids us all to do our best  
Let the great Tower of learning  
Inspire both young and old  
May we proceed in unity to uphold the public  
cause.

//: Arise, arise O Legon  
Defend the cause of freedom  
Proceed in truth and integrity  
to make our nation proud ://

We ask for strength and wisdom  
As we climb the hill of learning  
May we excel in what'er we do  
As we prepare to face the world  
With a mind ready at all times  
And a conscience quick to feel  
May we proceed in unity to uphold the public  
cause.

//: Arise, arise O Legon  
Defend the cause of freedom  
Proceed in truth and integrity to make  
our nation proud ://

**(Prof. Emeritus J. H. Kwabena Nketia)**

## While you were here: 2009–2013

### 2009

- The University's ICT-based Distance Education Project, sponsored by the Government of Ghana through a concessionary loan from the People's Republic of China was launched. The project is geared towards improving upon the quality of teaching, learning and research through the introduction of an e-learning system.

### 2010

- The University made changes to the requirements for graduation in content and structure, introducing critical thinking, logic and behaviourism to instill critical thinking in students' life and mode of analysis.

### 2011

- University of Ghana makes changes in re-opening schedule to accommodate candidates who wrote their entrance

examinations in May/June 2011 to allow successful applicants to enter the University in the same year rather than having to wait for a year as is usually the case. This arose partly because the WASSCE was not written in June due to the change from a 3-year to a 4-year Senior High School education.

### 2012

- The pioneer class of the Distance Education programme graduated. The University's Distance Education Programme officially was launched in the 2007/8 academic year to widen access to all qualified applicants irrespective of family, social commitments or geographical background.
- University approves a new structure for PhD programmes in line with international best practices. The new structure will allow

the admission of first degree holders into the MPhil/PhD programmes, the introduction of comprehensive examinations, the introduction of compulsory course work and the formal defense of research proposals.

- Inauguration of Carnegie-sponsored Research Commons at the University's Balme Library.

### 2013

- In line with the programme to enhance teaching and research, the University has acquired scientific equipment awaiting installation. A Smart X2S Automated System at the Department of Chemistry; An X-Ray Diffractometer at the Department of Physics; a High Performance Liquid Chromatograph (HPLC) to the Department of Biochemistry, Cell and Molecular Biology.
