

UNIVERSITY OF GHANA 75TH ANNIVERSARY OUTREACH PROGRAMME

We are thrilled to invite you to an exciting outreach event as part of the ongoing 75th Anniversary celebration of the University of Ghana. The Outreach Programme is a unique opportunity for us to give back to the community that has been an integral part of our journey over the past 75 years. As a leading academic institution, we acknowledge our responsibility not only towards education and research but also towards the betterment of society. This event aligns perfectly with our commitment to fostering positive change and impactful engagement beyond our campus borders.

Over the years, University of Ghana has been at the forefront of providing quality training in nurturing formidable practitioners who have contributed in providing wholistic health care services to citizens of this country and beyond. The 75th Anniversary Planning Committee has mobilized some of these specialists to provide free medical screening and psycho-social support services as a way of giving back to the community.

The medical screening will include eye screening, dental care, BP check, HIV, Random Blood Sugar, Hepatitis B, BMI, HB check, cervical cancer screening, TB screening, COVID-19 Vaccination, Malaria test and screening for malnutrition.

The UG@75 Outreach Programme is scheduled as follows:

Date: Friday, 18th August, 2023

Time: 10:00 AM - 5:00 PM

Venues: Madina Main Market, Madina Zongo Junction (Chps Compound) and Agbogbloshie (A deprived community in Madina).

The UG@75 Outreach is in partnership with the LA Nkwantanang Municipal Health Directorate, with support from:

- * University Health Services
- * Medical School
- * Dental School
- * School of Public Health
- * School of Pharmacy
- * School of Biomedical and Allied Health Sciences
- * School of Nursing and Midwifery
- * Department of Psychology
- * Department of Social Works
- * Careers and Counseling Centre
- * University of Ghana Medical Centre

This programme offers an excellent opportunity for students, faculty, staff, and alumni to come together and contribute significantly to our very own communities. There will be health checks, wellness tips, and advice on topics such as nutrition, mental health, and hygiene to promote a healthier community.

We encourage all members of the university community; students, faculty, staff, and alumni to actively participate in this event. Your volunteerism, presence, enthusiasm, and support are vital to the success of the Outreach Programme.

For further information, kindly contact Prof. Richmond Aryeetey (0244129669), Dr. Lilian Ohene (0246395696) or Ms Gloria Addai (0540816571) on ways to support the programme.

Thank you for your unwavering support, and we look forward to seeing you on Friday, August 18th at the designated locations in Madina as we reach out to vulnerable people who need these life-saving interventions.
